**Subject:** Ute Consultation Meeting on 1/14 Cancelled

The consultation meeting on the U&O Reservation next week (1/14) with the Ute Business Council has just been cancelled by the Tribe due to conflicts. Hopefully a phone call on 1/13 (or sometime soon) can be a substitute.

I told Alfreda that the O&G FIP consultation is the priority for the Region and the CPP consultation would be based on the Tribe's interest.

**Subject:** Ute Consultation Draft Agenda and Talking Points

If the Ute Tribe consultation can proceed next week, below is the draft agenda Alfreda sent the Ute Tribe today.

As you can see from the draft agenda, I think continuing the consultation on the O&G FIP is the priority in order to move forward to propose. The Deseret discussion is more of an update from the 12/17 call. The CPP discussion is something Hqs asked us to offer, but if the Tribe is not that interested in CPP then I wouldn't have it as a high priority.

The talking point papers sent to Betsy today for all three topics are attached.

Thanks

## EPA and Ute Indian Tribal Business Council Consultation and Coordination Meeting

### Agenda

January 14, 2016

Fort Duchene, Utah

9:00 - 9:45: Continue consultation on EPA proceeding to draft and propose a U&O Reservation specific rule to control emissions from existing oil and gas sources.

9:45 - 10:00: EPA update on the draft permit and settlement agreement for the Deseret Bonanza power plant.

10:00 - 10:30: Consultation on EPA's Clean Power Plan and the proposed federal plan that the Deseret Bonanza plant would be subject to.

Q: Also who of the Tribe sat in on the settlement talks or negotiations?

A: No one representing the Ute Tribe participated directly in the Deseret settlement talks as they were confidential between EPA, Deseret, and the groups that appealed EPA's operating permit. However, I and Sara Laumann briefed Jeremy Patterson (legal counsel to the Tribe) on the proposed settlement agreement and the HQ EPA in D.C. had face to face meeting with Rollic (lobbyist for the Tribe) and Councilman Small to discuss the proposed settlement agreement, Region 8 participated by phone.

### **EPA Attendees:**
